

Special Presentation ~ Open to the Community!

TEARING DOWN CLASSROOM WALLS: Online Contemporary Jewish Issues

**Yeshivat Kadimah High School
is proud to present**

Smadar Goldstein

Director, JETS Israel
[Jerusalem EdTech Solutions]

Wednesday, November 6, 2013

7:30 pm

EHA Beit Midrash

Utilizing cutting-edge education technology,
Smadar Goldstein is teaching Jewish history
to Yeshivat Kadimah students in
completely new and innovative ways.

Video conferencing from Israel.

Student-created multi-media projects.

Online forums.

Learn how students from around the world are
integrating history and contemporary Jewish issues
more creatively and thoroughly than ever before,
connecting with Israel, and benefitting from its rich
educational resources.

Smadar Goldstein, an online educator based in Jerusalem, is the co-founder and Director of JETS (Jerusalem EdTech Solutions), Judaic online and distance learning providers. She has been innovating teaching methodology in K-12 for over 18 years, focusing on increasing student engagement in the traditional and online classroom, and has taught in over 20 schools on three continents.
