## Tikun Leil Shavuot @ Young Israel

Sunday-Monday June 12-13

Dear Friends:

Shavuot is the holiday of Torah study! We are very proud of our annual Tikun Leil Shavuot which brings the community together in an atmosphere of Torah learning, unity, and sanctity, with educators from Young Israel, TMK, the St. Louis Kollel, NCSY, Bnei Akiva, Kadimah, and EHA, and is a reflection of the spiritual unity we seek in preparation for Matan Torah.

Please note that the adult shiurim will all take place in the back section of the Beit Midrash. The youth program will take place in designated sections of the sanctuary and social hall.

As we have reiterated in previous years, there is little value in staying up through the night if it is not for the purpose of learning Torah. To help maintain this elevated atmosphere, we have designed the program so that the youth have separate programs for boys and girls, and separate age groups. If your child is planning to participate, please help us by ensuring that he/she understands the purpose of this experience, is age appropriate, and is committed to appropriate behavior. Every middle school child staying in shul must have a designated adult who will take active responsibility for him/her.

We have also organized police security to monitor pedestrian traffic on Delmar. Children will not be allowed to congregate outside of the synagogue building, in order not to disturb the neighbors. Please make sure that your children understand that in order to stay up all night they must be in shul and involved in a learning program.

Thank you for your understanding and your partnership.

Sincerely,  
Rabbi Shulman
