

Shavuot Take-Out Restaurant

6th Annual Young Israel WD Fundraising Event

Young Israel

**Calling All Cooks - Men, Women & Teens
Young Israel is looking for you!**

Do you have a signature dish?

Is there something yummy that you are making for Shavuot anyways and you wouldn't mind doubling?

Do you want to support the shul's fundraising efforts in a fun and creative way?

This fundraiser allows you to increase the effect of your donation. You donate your dish and our retail pricing reflects a percentage markup to your actual cost.

Here's how it works:

- ☺ Each year, we ask you to make some of your favorite dairy or pareve dishes which we put together to form a fabulous Shavuot take-out menu.
- ☺ There will be main dishes, sides, soups, salads & desserts with the name of the volunteer cook, the number of that item available & the cost listed next to each item.
- ☺ The menu is then posted online for you to purchase in time for Shavuot.
- ☺ Payment is made online directly to the shul - there is no need for cooks or shoppers to handle payment.
- ☺ Cooks are told who purchased their items & the two make arrangements for pick-up or drop-off, whichever is most convenient for you.
- ☺ Enjoy yummy food without having to cook it yourself!

Please be a Volunteer Cook!
