A message from Rabbi Shulman: We talk often about the importance of celebrating Jewish life with joy and passion. There is no better expression of this than the energy of a concert performance of one of the Orthodox Jewish world's most popular singers, Benny Friedman. But more importantly, **due to the generosity of anonymous donors within the EHA and Kadimah communities, this event is now FREE for all students of our day schools!!** What a great way to help build energy and passion for Judaism among our youth. Please take advantage of this great opportunity. It promises to be a wonderful evening.
